

Your Name Hurts

Hailee Steinfeld

We're a half written story without any ending
You left me to figure it out
Filled me with ecstasy, left with the best of me But where's the rest of me now? Honestly, I don't
regret you
I just wish I never met you
Part of me wants to upset you, ah-ah
Every single letter's killing me
Don't know why it always gets to me
Every time I hear that sound (Ah)
Your name hurts (Your name hurts)
I don't say it no more
It's like the worst of words (Worst of words)
You don't even know (Ah)
Feels like burning on my lips
The ones that you used to kiss
No way you ain't feelin' it too
I hope my name hurts, my name hurts
My name hurts you (You, you, you) (Oh) And this half written story is horror at best
The kind where the hero still dies in the end
And God only knows, maybe this is a test
'Cause I kinda wanna mess you up
But I won't, babe, not yet
Wouldn't say that I regret you
But man, I wish I never met you
That your mama never even had you, oh-ah
Every single letter's killing me
Don't know why it always gets to me
Every time I hear that sound (Ah) Your name hurts (Your name hurts)
I don't say it no more
It's like the worst of words (Worst of words)
You don't even know (Ah)
Feels like burning on my lips
The ones that you used to kiss
No way you ain't feelin' it too
I hope my name hurts, my name hurts
My name hurts you (You, you, you) (Na, na, na, na, na)
(Na, na, na, na, na)
(Na, na, na, na, na) Your name hurts
(Na, na, na, na, na)
(Na, na, na, na, na)
(Na, na, na, na, na) Your name hurts Honestly, I don't regret you
I just wish I never met you

Part of me wants to upset you, ah-ah (Your name hurts)
Every single letter's killing me
Don't know why it always gets to me
Every time I hear that sound (Ah)Your name hurts
I don't say it no more
It's like the worst of words
You don't even know
Feels like burning on my lips
The ones that you used to kiss
No way you ain't feelin' it too
I hope my name hurts, my name hurts
My name hurts you (You, you, you)(Na, na, na, na, na)
(Na, na, na, na, na)
(Na, na, na, na, na) Your name hurts
