

Rich Bitch

Bankrol Hayden

Flip, flip, got Gucci lipstick
I never had a bitch that hang out with the rich kids
She 'bout her business, I'm doin' big shit
I never thought that I'd be fuckin' with a rich bitch I go down on her body in the mornin'
(Mornin')
Hit it from the back, I'm doin' fifty in a foreign (Foreign)
Buss down and Fendi, designer drippin' no Ralph Lauren (Lauren)
You was my shawty but now I'm playin', I'm ignorin' (Bitch)
Like fuck you thinkin'?
I'ma pull up for the weekend (Skrr, skrr)
With my gang, we be geekin'
Why you so conceited?
We gon' fuck 'til we seasick
Red bottoms on her feet and they bleedin'
Flip, flip (Flip, flip), got Gucci lipstick (Lipstick)
I never had a bitch that hang out with the rich kids
She 'bout her business, I'm doin' big shit
I never thought that I'd be fuckin' with a rich bitch
Flip, flip, got Gucci lipstick (Lipstick)
I never had a bitch that hang out with the rich kids
She 'bout her business, I'm doin' big shit
I never thought that I'd be fuckin' with a rich bitch I'ma ball, got no limit (Uh-uh)

We wasn't rich kids but now we on some rich shit
Behind my name, my brother slide just like a ripstick (Yeah)
Flip, flip (Flip, flip), got Gucci lipstick (Lipstick)
I never had a bitch that hang out with the rich kids

I never thought that I'd be fuckin' with a rich bitch
Flip, flip, got Gucci lipstick (Lipstick)
I never had a bitch that hang out with the rich kids
She 'bout her business, I'm doin' big shit
