

# Thot (feat. Young M.A. & Dios Moreno)

## Uncle Murda

Yeah

I mean, I don't know what to think  
I guess I said the girls look so good, but their minds is not ready  
I said the girls look so good, but their minds is not ready

God damn, I used to like you

That pussy was tight too

Can't believe I almost wifed you

Found out you was a thot too

What you gotta be a thot for

What you gotta be a thot for

In you, I see a lot more

What you gotta be a thot for

Damn, girl

Before I took her out, I ain't know who she was

She knew all them niggas poppin' bottles in the club

Ain't wanna believe it, I was in denial

Ain't had no good box like that in a while

Was damn near payin' all her bills

I was keepin' it all the way real

You know I'm tellin' the truth, I'm sippin' that Henny

She ain't call me Murda, let her call me Lenny

Wifey material, she not it

Can't believe I had my kids around that thot bitch

Gotta do better, should've knew better

Now I got a bunch've broads like Hugh Hefner

I said the girls look so good, but their minds is not ready

I said the girls look so good, but their minds is not ready

God damn, I used to like you

That pussy was tight too

Can't believe I almost wifed you

Found out you was a thot too

What you gotta be a thot for

What you gotta be a thot for

In you, I see a lot more

What you gotta be a thot for

Damn, girl Every time I see you, I get a bad vibe

Just thinkin' that someone else in between your thighs

Like, damn, why you gotta be a thottie

My man said he caught the neck right there in the lobby

And I was gonna wife this bitch

Went from "I love you" to "I don't even like this bitch"

I was tryna turn a ho into a house wife

At first, I was tryna see what that mouth like  
And I gave you the best of me  
Now shawty dead to me  
Thought she was the one, she turned out to be a Headphanie  
I said the girls look so good, but  
their minds is not ready  
I said the girls look so good, but their minds is not ready  
God damn, I used to like you  
That pussy was tight too  
Can't believe I almost wifed you  
Found out you was a thot too  
What you gotta be a thot for  
What you gotta be a thot for  
In you, I see a lot more  
What you gotta be a thot for  
Damn, girl
