

# So into You

## Atlanta Rhythm Section

When you walked into the room  
There was voodoo in the vibes  
I was captured by your style  
But I could not catch your eyes  
Now I stand here helplessly  
Hoping you'll get into me I am so into you  
I can't think of nothing else  
I am so into you  
I can't think of nothing else Thinking how it's going to be  
Whenever I get you next to me  
It's gonna be good, dont you know  
From your head to your toe  
Gonna love you all over, over and over  
Me into you, you into me, me into you  
I am so into you  
I am so into you, ooh When you walked into the room  
There was voodoo in the vibes  
I was captured by your style  
But I could not catch your eyes  
Now I stand here helplessly  
Hoping you'll get into me I am so into you  
I can't get to nothing else  
I am so into you baby  
I can't get to nothing else  
No no no come on baby  
I am so into you  
Love the things you do  
Listen baby  
Driving me crazy, oooh  
Come on baby, oo-oooh  
I am so into you  
Love the things you do  
Come on baby  
I am so into you (x3)
