

# Yummy

## Gwen Stefani

I'm feeling yummy head to toe, you see me  
Ain't got no patience so let's go, you see me  
Look, I'm tired of drama  
Wanna spend the night? Don't bring pajamas  
Man, there's so much heat beneath these clothes  
You see me Walk in the place  
They know my face  
Encore, sophomore  
Only one solo, I swore  
Big mouth  
Applause  
Oh, please  
One more  
Wanna hear it before I say naw  
Let me check my itinerary  
Um, alright  
Presto, skintight  
Escaped and I risked my life  
For what, so I can watch them bite?  
Only one Gwen you can find like this  
I mean blow your mind like this  
Your key won't shine like this  
If it's yours then you know it won't wind like this  
Wind it up  
I'm feeling yummy head to toe, you see me  
Ain't got no patience so let's go, you see me  
Look, I'm tired of drama  
Wanna spend the night? Don't bring pajamas  
Man, there's so much heat beneath these clothes  
You see me I know you've been waiting  
But I've been off making babies  
And like a chef making donuts and pastries  
It's time to make you sweat  
Sex and sugar is the flavor  
Ovens and beaters and graters  
Beats made of bongos and shakers  
It's time to make you sweat  
(Walk in the place)  
(They know my face)  
(Billion-aire boys)  
(Ice Cream dripping 'cross the floor)  
(Big house, garage)

(Bentleys, Ferrar)  
(Wanna go before I say naw)  
(Let me check my itinerary)  
(Um, alright)  
(G4, G flight)  
(Bed in the back so I have a G night)  
(Good night, hood right?)  
(Ain't no nigga you can find like this)  
(I mean blow your mind like this)  
(Nigga's watch don't shine like this)  
(If it's ticking then it don't tell time like this)  
(then I take a warm comfortable shit)I'm feeling yummy head to toe, you see me  
Ain't got no patience so let's go, you see me  
Look, I'm tired of drama  
Wanna spend the night? Don't bring pajamas

Beats made of bongos and shakers  
It's time to make you sweatNow sweat, baby  
Get stupid, jump up, go crazy  
L.A.M.B. in 3D  
Worldwide across your TV  
You crazy, how'd you get this?  
This sounds like disco Tetris  
Do I have time to connect this?  
Let me check my itinerary, umI came back for my spotlight  
(For her spotlight)  
I disappeared like Houdini  
(Where Houdini?)  
If yours didn't come out right  
(If it's not right)  
Go to Kinko's and Xerox meI'm feeling yummy head to toe, you see me  
Ain't got no patience so let's go, you see me
