

# For You

## Staind

To my mother, to my father

...

It's your son or, it's your daughter

...Are my screams, loud enough for, you to hear me

...

Should I turn this up for you  
I sit here locked inside my head...  
Remembering everything you said

...

The silence, gets us nowhere  
Gets us nowhere way too fast

...

Your silence, is what kills me  
...I need someone, here to help me

...

But you don't know, how to listen

...

And let me make, my decisions  
...I sit here locked inside my head

...

Remembering everything you said

...

The silence, gets us nowhere  
Gets us nowhere way too fast

...

All your insults, and your curses

...

Make me feel like I'm not a person

...

And I feel like, I am nothing

...

But you made me, so do something

...

'Cause I'm fucked up, because you are

...

Need attention, attention you couldn't give

...

'Cause I sit here locked inside my head

...

Remembering everything you said

...

The silence, gets us nowhere

Gets us nowhere way too fast

...

I sit here locked inside my head

...

Remembering everything you said

...

The silence, gets us nowhere

...

Gets us nowhere way too fast

...
