

# Everytime (Acoustic / Bonus Track)

## A1

Lately, I'm not who I used to be  
Someone's come and taken me  
Where I don't wanna go  
If I knew  
Exactly what I have to do  
In order to be there for you  
When you were feeling low  
And all the things we ever wanted  
Were once yours and mine  
Now I know we can revive it  
All the love we left...Everytime I kiss  
I feel your lips  
And everytime I cry  
I see you smile  
And everytime I close my eyes  
I realise  
That everytime I hold  
your hand in mine  
The sweetest thing my heart  
could ever find  
And I have never felt this way  
Since the day  
I gave your love away  
Save me  
I've fallen from my destiny  
You and I were meant to be  
I've thrown it all away  
Now you're gone  
It's time for me to carry on  
But baby I just can't go on  
Without you by my side  
And all the things we ever wanted  
Were once yours and mine  
Now I know we can revive it  
All the love we left...Everytime I kiss  
I feel your lips  
And everytime I cry  
I see you smile  
And everytime I close my eyes  
I realise  
That everytime I hold  
your hand in mine  
The sweetest thing my heart  
could ever find  
And I have never felt this way  
Since the day  
I gave your love away  
We can survive it  
all the pain we feel inside  
You relied on me  
And now I've let you down

Now I promise you forever  
I will be the best I can  
Now I know we can revive it  
All the love we left...  
Everytime I kiss  
I feel your lips  
And everytime I cry  
I see you smile  
And everytime I close my eyes  
I realise  
That everytime I hold  
your hand in mine  
The sweetest thing my heart  
could ever find  
And I have never felt this way  
Since I gave your love away  
Everytime I kiss  
I feel your lips  
And everytime I cry  
I see you smile  
And everytime I close my eyes  
I realise  
That everytime I hold  
your hand in mine  
The sweetest thing my heart  
could ever find  
And I have never felt this way  
Since the day  
I gave your love away
