Drippin' designer, that high fashion (Lil Purpp, ayy)

You niggas fake like a prosthetic (yuh)

I'm on yo bitch like a cosmetic (bitch)

Fuck on yo bitch like a damn savage (yuh)

Run up the racks, it's a good habit (huh)

Spend a whole check on my neck piece

I don't wanna fuck, ho I just want the neck please

I smoke green, yeah the veggies

Splash on a ho like I just rode a jet ski (splash)

Ooh (water), ooh, ooh (drip), ooh, ooh (huh)

Your bitch tryna find the circumference

And I got hoes in abundance (Lil Purpp)

Fuckin' yo bitch is a bad habit (whoa)

Yo bitch is ugly, you can't have it, ooh (huh)

I'm 'bout my green like a damn salad (whoa)

Run up the racks, it's a good habit (run)

Run up the racks, it's a good habit (Lil Purpp)

Run up the racks, it's a good habit (ooh)

Run up the racks, it's a good habit (ooh)

Ooh, wait, yeah (Lil Purpp, huh)

Run up the racks, it's a good habit (habit)

Run up the racks, it's a good habit (huh)

Run up the racks, it's a good habit (ayy)
