

# The Heart

## NEEDTOBREATHE

Ain't no gift like the present tense  
Ain't no love like an old romance  
Got'sta make hay when the sun is shinin'  
Can't waste time when it comes time to dance  
Slammin' this door with a heavy hand  
signin' this line like a deed to land  
keeping in touch with the windows down  
Dreading this night since the rain hit the ground  
Long live the heart  
Long live the soul  
That knows what it wants  
That piece you can find  
That part is the whole  
It never lets go  
Always tryin to be the one outlaw  
Goes where he wants never does get caught  
Pushing this line like the Lord ain't comin'  
Building this house like they're scared of something else  
Be my winter in this living hell  
Be my one last dying wishing well  
oh well  
Long live the heart  
Long live the soul  
That knows what it wants  
That piece you can find  
That part is the whole  
It never lets go  
Got'sta make hay when the sun is shinin'  
Can't waste time when it comes time to dance  
keeping in touch with the windows down  
Dreading this night since the rain hit the ground  
Long live the heart  
Long live the soul  
That knows what it wants  
That piece you can find  
That part is the whole  
It never lets go  
Long live the heart  
Long live the soul  
That knows what it wants  
No matter how far  
How heavy this load  
It never lets go
