

Rockstar (feat. Lil Skies)

Lil Durk

[Intro: Lil Durk]

Put your hands up, put your hands up, put your hands up

Ohh, rockstar[Chorus: Lil Durk]

Rockstar, lifestyle might not make it

Put prescription drugs on my tongue, I had to take it

Keep my secrets deep down inside, I had to face it

For you I put my life on the line, that shit felt crazy[Verse 1: Lil Durk]

They gon' ride still, they made Perc's them Advil's

Don't you hate when the gas still?

Hate results from a nine shell

Takes the fans off of lockdown, securer's call, I'ma press one

Felony on my background, gun license, you ain't got one

Trigger finger, catch a .91

I remember swipin' bad cards, I remember wifin' bad bulls

Broke nigga thought that I'm a boss

I remember totin' cap guns, a lotta pounds of that platinum

A lotta pounds, I got platinum, woah

[Chorus: Lil Durk]

Rockstar, lifestyle might not make it

Put prescription drugs on my tongue, I had to take it

Keep my secrets deep down inside, I had to face it[Break: Lil Skies]

Oh, oh, oh, yeah, yeah[Verse 2: Lil Skies]

I'm sippin' real codeine, 200 racks on me

I done put stars on the roof, inside a galaxy

Flight after flight, I'm goin', I'm tourin' overseas

My brother doin' life, cops never gon' let him free

These niggas not built like we

Broke nigga gon' talk, he cheap

Me and Durk talk dog like Meech

Pack touch, we flood the streets

Pray my opps get deceased, ain't no love for the weak

And if I die at night, bury me in my dreams

Just 'cause, this a rockstar lifestyle, bitches gettin' naked

I rull up like 20 blunts, know that I'ma face it

I been through like too much, why I'm gettin' wasted

[?] all of the fake shit, they hatin'

[Chorus: Lil Durk & Lil Skies]

Rockstar lifestyle, might not make it

Put prescription drugs on my tongue, I had to take it

Keep my secrets deep down inside, I had to face it

For you I put my life on the line, that shit felt crazy

For you I put my life on the line, that shit felt crazy

For you I put my life on the line, that shit felt crazy
For you I go and unload the nine, that shit felt crazy
For you I put my life on the line, that shit felt crazy
