

# Shake Santa Shake (From "Shake It Up")

## Zendaya

Who's that dude in the cherry red suit?  
Tearing up the floor, tonight  
He's shaking his hips, got a sack full of gifts  
And a beard that's crazy white He's got the party rocking  
Candy canes and stockings  
Dancing like he's Micheal  
Spinning like the vinyls Sleigh bells in the air  
Favorite time of year  
Where wishes come true  
That's how we do, yeah, that's how we do  
Shake, Santa, shake it!  
We know you're gonna take it  
To the house tonight!  
Shake, Santa, shake it!  
We know you're gonna make it  
Naughty never looked so nice! We want that merry, merry!  
We want that merry, merry!  
We want that merry, merry!  
Ho-ho-ho, yeah! We want that merry, merry!  
We want that merry, merry!  
We want that merry, merry!  
Ho-ho-ho, yeah! Let's keep it coming  
And prancer zipping, ain't no V.I.P  
Rudolph's checking the list  
He ain't never even gonna see  
He's got the party rocking  
Candy canes and stockings  
Dancing like he's Micheal  
Spinning like the vinyls Sleigh bells in the air  
Favorite time of year  
Where wishes come true  
That's how we do, yeah, that's how we do  
Shake, Santa, shake it!  
We know you're gonna take it To the house tonight!  
Shake, Santa, shake it!  
We know you're gonna make it  
Naughty never looked so nice! We want that merry, merry!  
We want that merry, merry!  
We want that merry, merry!  
Ho-ho-ho, yeah! We want that merry, merry!  
We want that merry, merry!  
We want that merry, merry!

Ho-ho-ho, yeah!  
Calling all my boys and girls  
Shaking up around the worldEverybody celebrate  
Drop the beat and hit the brake!  
Calling all my boys and girls  
Shaking up around the world  
Everybody celebrate  
Drop the beat and hit the brake!  
Shake, Santa, shake it!  
We know you're gonna take it  
To the house tonight!  
Shake, Santa, shake it!  
We know you're gonna make it  
The best night of our lives!  
We want that merry, merry!  
We want that merry, merry!  
We want that merry, merry!  
Ho-ho-ho, yeah!  
We want that merry, merry!  
We want that merry, merry!  
We want that merry, merry!  
Ho-ho-ho, yeah!  
Ho-ho-ho, yeah!
