

Heart Vacancy

The Wanted

I hear your heart cry for love
But you won't let me make it right.
You were hurt, but I decided
That you were worth the fight.
Every night, you lock up
You won't let me come inside.
But the look in your eyes
As I can turn the tide. In your heart, in your heart, in your heart
I can tell you can fit one more.
In your heart, in your heart, in your heart
I don't care who was there before.
I hear your heart cry for love
Then you act like there's no room.
Room for me, or anyone
"Don't disturb" is all I see.
Close the door, turn the key
On everything that we could be.
If loneliness would move out
I'd fill the vacancy.
In your heart, in your heart, in your heart
In your heart, in your heart, in your heart. This ain't the Heartbreak Hotel
Even though I know it well.
Those no shows, they sure tell
In the way you hold yourself.
Don't you fret, should you get
Another cancellation.
Give me a chance I'd make a
Permanent reservation.
In your heart, in your heart, in your heart
I can tell you can fit one more.
Open up make a brand new start
I don't care who's stayed before. I hear your heart call for love
Then you act like there's no room.
Room for me, or anyone
"Don't disturb" is all I see.
Close the door, turn the key
On everything that we could be.
If loneliness would move out
I'd fill the vacancy.
In your heart, in your heart, in your heart
In your heart, in your heart, in your heart. When I
talk to you on the phone

Listen close.
I hear your heart call for love
Then you act like there's no room.
Room for me, or anyone
"Don't disturb" is all I see.
Close the door, turn the key
On everything that we could be.
If loneliness would move out
I'd fill the vacancy.
In your heart, in your heart, in your heart
In your heart, in your heart, in your heart.
