

# Who Am I to Say

## Hope

Love of my life, my soulmate  
You're my best friend  
Part of me like breathing  
Now half of me is left I don't know anything at all  
Who am I to say you love me  
I don't know anything at all  
And who am I to say you need me Color me blue I'm lost in you  
Don't know why I'm still waiting  
Many moons have come and gone  
Don't know why I'm still searching  
Don't know anything at all  
And who am I to say you love me  
I don't know anything at all  
And who am I to say you need me Hmmm hmmm mmm  
Uhhh oohhh aahhh Hooo aahhh ohh ohhh Now you're a song I love to sing  
Never thought it'd feel so free  
Now I know what's meant to be  
And that's okay with me But who am I to say you love me  
And who am I to say you need me  
And who am I to say you love me  
Mmmm Hmmm  
I don't know anything at all  
And who am I to say you love me  
I don't know anything at all  
And who am I to say you need me  
I don't know anything at all  
I don't know anything at all  
I don't know anything at all  
I don't know anything at all
