

# Ricky

## O.T. Genesis

I'm the man in my city  
I got bitches that fuck with me  
Off CÎROC like I'm Diddy  
All this coke, I'm feelin' like I'm Ricky  
    Feelin' like I'm Ricky  
    Feelin' like I'm Ricky  
    Feelin' like I'm Ricky  
All this coke, I'm feelin' like I'm Ricky  
One hell of a drug, one hell of a drug  
    (I'm Rick James, bitch!)  
    Feelin' like I'm Ricky  
All this coke, I'm feelin' like I'm Ricky All these dollars on me  
    All these dollars on me  
My niggas straight, we burned up  
    If he trip, he gon' learn us  
    Hit a nigga with that burner  
Then hit the club and turn up, turn up  
    Money on my mind, mind  
    Hundreds every time, yeah  
    New chain got me on froze  
    Your ho already chose  
In the kitchen whippin' them Os  
Still rockin' all them shows I'm the man in my city  
    I got bitches that fuck with me  
    Off CÎROC like I'm Diddy  
All this coke, I'm feelin' like I'm Ricky  
    Feelin' like I'm Ricky  
    Feelin' like I'm Ricky  
    Feelin' like I'm Ricky  
All this coke, I'm feelin' like I'm Ricky  
One hell of a drug, one hell of a drug  
    (I'm Rick James, bitch!)  
    Feelin' like I'm Ricky  
All this coke, I'm feelin' like I'm Ricky  
Got bitches on me, got money on my mind  
My girl wanna see me, I ain't never got time  
I just hustle all day, cause I love the grind, grind  
I don't see these hoes, all I see is white lines  
Got a pack, sent it off, took a loss, took a loss  
But I got it right back, cause you know I'm a boss  
I be throwin' like Brady and my plug Randy Moss  
We don't fuck with no hard, everything go soft Money on my mind, mind

Hundreds every time, yeah  
New chain got me on froze  
Your ho already chose  
In the kitchen whippin' them Os  
Still rockin' all them shows I'm the man in my city  
I got bitches that fuck with me  
Off CÎROC like I'm Diddy  
All this coke, I'm feelin' like I'm Ricky  
    Feelin' like I'm Ricky  
    Feelin' like I'm Ricky  
    Feelin' like I'm Ricky  
All this coke, I'm feelin' like I'm Ricky  
One hell of a drug, one hell of a drug  
    (I'm Rick James, bitch!)  
    Feelin' like I'm Ricky  
All this coke, I'm feelin' like I'm Ricky
