

# Son of the Sun

[Dierks Bentley](#)

There's a cactus flower somewhere out there, knows my deepest thoughts  
There's a tumbleweed inside of me that's never gonna stop  
There's a mountain out there somewhere I still haven't climbed  
You know I love you baby, I just need a little time 'Cause I'm a son of the sun, a brother to the  
sky  
Sometimes I gotta lose myself so I don't lose my mind  
Get some dust on my boots, find some truth in the blue  
Let the desert and the burn inside my lungs  
'Cause baby I'm a son of the sun  
I wanna look down on a valley where the river splits the storm  
And let the great wide open open wide my soul  
I can never live without you, I always come back to you  
But sometimes I need to kiss the wind and go howl at the moon 'Cause I'm a son of the sun, a  
brother to the sky  
Sometimes I gotta lose myself so I don't lose my mind  
Get some dust on my boots, find some truth in the blue  
Let the desert and the burn inside my lungs  
'Cause baby I'm a son of the sun  
I'm a son of the sun, a brother to the sky  
Sometimes I gotta lose myself so I don't lose my mind  
Get some dust on my boots, find some truth in the blue  
Let the desert and the burn inside my lungs  
'Cause baby I'm a son of the sun
