

We Say Yes

Housefires

You knock on the door of my heart
And I will answer You, I will answer You
You make me a covenant of love
And I will walk with You
Yes I will walk with You I'm not afraid, I'm not afraid anymore
Your love has made a way We say yes God
We accept the invitation to Your love
We say yes God, You and You alone can have it all You lead me by waters that are calm
And I will follow You, I will follow You
You're dancing and singing over us
And I will dance with You, I will dance with You
I'm not afraid, I'm not afraid anymore
Your love has made a way We say yes God
We accept the invitation to Your love
We say yes God, You and You alone can have it all We say yes God
We accept the invitation to Your love
We say yes God, You and You alone can have it all I've made up my mind
I've got no more excuses
So we open the door and we let You in I've made up my mind
I've got no more excuses
So we open the door and we let You in I've made up my mind
I've got no more excuses
So we open the door and we let You in
I've made up my mind
I've got no more excuses
So we open the door and we let You in I've made up my mind
I've got no more excuses
So we open the door and we let You in I've made up my mind
I've got no more excuses
So we open the door and we let You in We say yes God
We accept the invitation to Your love
We say yes God, You and You alone can have it all We say yes God
We accept the invitation to Your love
We say yes God, You and You alone can have it all I've made up my mind
I've got no more excuses
So we open the door and we let You in I've made up my mind
I've got no more excuses
So we open the door and we let You in I've made up my mind
I've got no more excuses
So we open the door and we let You in I've made up my mind
I've got no more excuses
So we open the door and we let You in We say yes God

We accept the invitation to Your love
We say yes God, You and You alone can have it all We say yes God
We accept the invitation to Your love
We say yes God, You and You alone can have it all
