

# One Drop

## Bob Marley & The Wailers

Oo-oo-oooh, yea-ah. Wo-yoy! Wo-yoy! Wo-yoy! Wo-yoy-yoy-yoy!

Feel it in the one drop

And we'll still find time to rap

We're makin' the one stop

The generation gap

Now feel this drumbeat

As it beats within

Playin' a riddim

Resisting against the system, ooh-wee!

I know Jah's never let us down

Pull your rights from wrong

(I know Jah would never let us down)

Oh, no! Oh, no! Oh, no!

They made their world so hard (so hard):

Every day we got to keep on fighting (fighting)

They made their world so hard (so hard):

Every day the people are dyin' (dying), yeah!

(It dread, dread) For hunger (dread, dread) and starvation

(dread, dread, dread, dread)

Lamentation (dread dread)

But read it in Revelation (dread, dread, dread, dread):

You'll find your redemption

And then you give us the teachings of His Majesty

For we no want no devil philosophy

A you fe give us the teachings of His Majesty

A we no want no devil philosophy:

Feel it in the one drop

And we still find time to rap

We're making the one stop

And we filling the gap:

So feel this drumbeat

As it beats within Playing a riddim, uh! Fighting against ism and skism Singing: I know Jah's  
never let us down

Pull your rights from wrong:

I know Jah's never let us down.

Oh, no! Oh, no! Oh, no!

They made their world so hard

Every day (we got to keep on fighting), every day

They made their world so hard

Every day (the people are dying), eh!

(dread, dread, it dread, dread) Oh, whoa! Make dem a-go on so:

(dread, dread, it dread on dread) Ah, whoa!

(dread, dread) I'll walk (it dread, dread)  
Ah, whoa! Frighten dem, ah whoa!  
(dread, dread) Ah, whoa! Frighten dem, eh!  
Give us the teachings of His Majesty - with a stick-up! We no want no devil philosophy. Can  
you hear? Give us the teachings of His Majesty  
For we no want no devil philosophy. We feel it in the one drop you're lucky!  
For we still got time to rap  
And we're making the one stop  
Let me tell ya. this generation gap.
