

# Don't Fence Me In

Willie Nelson & Leon Russell

Oh give me the land, lots of land  
Under starry skies above  
Don't fence me in  
Let me ride through the wide open  
Contry that I love  
Don't fence me in  
Let me be by myself in the evening brezze  
Listen to the murmur of the cottenwood trees  
Send me off foever but I ask you please  
Don't fence me in  
Just turn me loose let me straddle my old saddle  
Underneath the westren skies  
On my kioose let me wander over younder  
Till I see the mountian rise  
I want to ride to the ridge where the west commenses  
Gaze at the moon till I lose my senenses  
I can't look at the hobbels and I can't stand the fences  
Don't fence me in
