

# Lost in Love

## Air Supply

I realize the best part of love  
is the thinnest slice  
and you don't care for much  
but I'm not letting go  
i believe there's still much to believe in So lift your eyes if you feel you can  
reach for a star and I'll show you a plan  
I've figured it out what I needed was someone to show me You know you can't fool me  
I've been lovin you too long  
It started so easy, You'll want to carry on  
(carry on)  
Lost in love and I don't know much  
cos I'm thinkin aloud and I fell out of touch  
but I'm back on my feet and eager to be what you wanted So lift your eyes if you feel you can  
reach for a star and I'll show you a plan  
I've figured it out what I needed was someone to show me You know you can't fool me  
I've been lovin you too long  
It started so easy, You'll want to carry on  
(carry on) Lost in love and I don't know much  
cos I'm thinkin aloud and I fell out of touch  
but I'm back on my feet and eager to be what you wanted  
You know you can't fool me  
I've been lovin you too long  
It started so easy, You'll want to carry on  
(carry on)  
Lost in love and I don't know much  
cos I'm thinkin aloud and I fell out of touch  
but I'm back on my feet and eager to be what you wanted  
Now I'm lost  
Lost in love  
Lost in love  
Lost in love
