

Put Your Lights On (feat. Everlast)

Santana

Hey now, all you sinners
Put your lights on
Put your lights on
Hey now, all you lovers Put your lights on
Put your lights on
Hey now, all you killers
Put your lights on Put your lights on
Hey now, all you children
Leave your lights on you better
Leave your lights on
Because there's an monster living
Under my bed
Whispering in my car
There's an angel with a hand on my head
She says I've got Nothing to fear
There's a darkness deep In my soul
I still got a purpose to serve
So let your light shine
Deep Into my home God don't let me lose my
Nerve
Lose my nerve
Hey now, Hey now
Hey now, Hey now
Wo-oh Hey now, Hey now
Hey now, Hey now
Hey now all you sinners
Put your lights on
Put your lights on
Hey now, all you children
Leave your lights on you
Better leave your lights on
Because there's an monster living
Under my bed
Whispering in my car
There's an angel with a hand on my head
She says I've got
Nothing to fear
She says, whoooo-ahha hey
La la, you shine like stars
Whoo-aohaha hey la la
You shine like stars
And fade away
