nooo... nooo...  
you see it... no no no.no no

there's something crazy I'm feelin  
and I don't even know what I can do about it  
it keeps me up in the evenin  
and I just can't clear my head.of youBaby I don't know what it is. thats tellin me  
that nothing could be more than lovin you  
I try to get my thoughts and my feelings together  
but no matter how I try to find it, brings me back to you  
(in the morning) I think of you  
(day and night) baby I think of you  
(everyday) I think of you  
(and every other day) ooh, I can too  
(when it rains) I think of you  
(when I cry) baby I think of you  
I don't understand what makes me think of you

in what I feel is realbaby now I know what it is.thats been tellin me  
that nothin could be more than lovin you  
now I got my thoughts and feelings together

(day and night) baby I think of you  
(everyday) I think of you
