

# Stranger In My House

Tamia

I don't understand  
You look just like the man  
In the picture by our bed  
The suspense is pounding and clouding up my head I'm checking your clothes  
And you wear the same size shoe  
You sleep in his spot  
And you're driving his car  
But I don't know just who you are There's a stranger in my house  
It took a while to figure out  
There's no way you could be who you say you are  
You gotta be someone else  
'Cause he wouldn't touch me like that  
And he wouldn't treat me like you do  
He would adore me, he wouldn't ignore me  
So I'm convinced there's a stranger in my house  
So I'm not sure who you are  
Don't see your shadow around when you walk  
You leave with no kisses, goodbye with no words  
If these walls could talk they would have nothing to tell So what could it be?  
Is there someone imitating me?  
Could she be taking my place?  
Look me in the face  
And tell me that I'm wrong when I say There's a stranger in my house  
It took a while to figure out  
There's no way you could be  
Who you say you are, you gotta be someone else  
'Cause he wouldn't touch me like that  
And he wouldn't treat me like you do  
He would adore me, he wouldn't ignore me  
So I'm convinced there's a  
(Stranger in my house)  
Pop quiz  
Tell me where we first kissed  
Tell me where my spot is  
Tell me if I liked it, loved it  
Or could it be  
That the stranger is me?  
Have I changed so drastically?  
Is it I want more for me?  
And you remain the same (There's a stranger in my house)  
(It took a while to figure out)  
It took a while to figure out

You can't be who you say you are  
You gotta be someone else  
'Cause he wouldn't touch me like that  
And he wouldn't treat me like you do  
He would adore me, he wouldn't ignore me  
So I'm convinced there's a stranger in my house(There's a stranger in my house)  
(It took a while to figure out)  
Took a while to figure out  
You can't be who you say you are  
You gotta be someone else  
He wouldn't touch me like that  
And he wouldn't treat me like you do  
He would adore me, he wouldn't ignore me  
I'm convinced there's a stranger in my house
