

# Somebody Loves You

## Betty Who

Who's around when the days feel long  
Who's around when you can't be strong  
Who's around when you're losing your mind  
Who cares that you get home safe  
Who knows you can't be replaced  
Who thinks that you're one of a kind  
Somebody misses you when you're away  
They wanna wake up with you everyday  
Somebody wants to hear you say  
Ooh somebody loves you  
Ooh somebody loves you  
Ooh somebody loves you  
Ooh somebody loves you  
Ooh somebody loves you  
I'm around when your head is heavy  
I'm around when your hands aren't steady  
I'm around when your day's gone all wrong  
I care that you feel at home  
Cause I know that you feel alone  
I think you're going to miss me when I'm gone  
Somebody misses you when you're away  
They wanna wake up with you everyday  
Somebody wants to hear you say  
Ooh somebody loves you  
Ooh somebody loves you  
Ooh somebody loves you  
Ooh somebody loves you  
Ooh somebody loves you  
Why don't you come on over  
Why don't you lay me down  
Does the pain feel better  
When I'm around  
If I am good to you  
Won't you be good to me  
That's how easy this should be  
Somebody misses you when you're away (Somebody misses you  
baby)  
They wanna wake up with you everyday (They wanna wake up with you)  
Somebody wants to hear you say (Oh they want you to say)  
Ooh somebody loves you  
Ooh somebody loves you  
Ooh somebody loves you  
Ooh somebody loves you  
Ooh somebody loves you
