

# Lions

## Chase Rice

Our Father, who art in heaven  
Hallowed be thy Name  
Thy kingdom come, thy will be done  
On Earth as it is in heaven  
Give us this day our daily bread  
And forgive us our trespasses  
As we forgive those who trespass against us  
And lead us not into temptation  
But deliver us from evil  
For thine is the kingdom  
And the power, and the glory  
For ever and ever. Amen  
Ain't no cage that can hold us  
Ain't no hate that can fold us  
Put on the chains and we'll break'em  
They wanna battle we'll take em  
Float like a butterfly, sting like a bee  
They can't keep us on a leash  
The kings of our little towns  
If there's a rebel around  
You know it's gonna be one of us  
We're right at home in the wild  
Can't help, but that's our style  
Born and bred to be dangerous  
We will roll  
On a Saturday night get that look in our eyes  
And we're striking like lightning  
Some may say we're too loud  
Some may say we're too proud  
Well there's lambs and there's lions  
We are lions, we are lions  
We are lions, we are lions  
Our heads are down with our eyes up  
Just like the sun and horizon  
They'll think twice going to size up  
You'll second thought then you'll wise up  
The kings of our little towns  
If there's a rebel around you know it's gonna be one of us  
We're right at home in the wild  
Can't help, but that's our style  
Born and bred to be dangerous  
We will roll  
On a Saturday night get that look in our eyes  
And we're striking like lightning  
Some may say we're too loud

Some may say we're too proud  
Well there's lambs and there's lions We are lions, we are lions  
We are lions, we are lions  
We are lions, we are lions  
We are lions, we are lions Float like a butterfly, sting like a bee  
They can't keep us on a leash  
Which one are you gonna be? The kings of our little towns  
If there's a rebel around  
You know it's gonna be one of us  
We're right at home in the wild  
Can't help, but that's our style  
Born and bred to be dangerous  
We will roll  
On a Saturday night get that look in our eyes  
And we're striking like lightning  
Some may say we're too loud  
Some may say we're too proud  
Well there's lambs and there's lions We are lions, we are lions  
We are lions, we are lions  
We are lions, we are lions  
We are lions, we are lions
