

Monkey Man

[Amy Winehouse](#)

Aye aye aye, aye aye aye
Huggin' up to big monkey man...
I never saw ya, I only heard of you Huggin' up to big monkey man
I never saw ya, I only heard of you Huggin' up to big monkey man
It's your life, it's your life Huggin' up to big monkey man
It's your life, it's your life
Huggin' up to big monkey man
Now I know that now I understand Huggin' up to big monkey man
Now I know that now I understand Huggin' up to big monkey man
La-la-la, la-la-la Huggin' up to big monkey man
La-la-la, la-la-la Huggin' up to big monkey man
Aye aye aye, aye aye aye Huggin' up to big monkey man
Aye aye aye, aye aye aye Huggin' up to big monkey man
I never saw ya, I only heard of you Huggin' up to big monkey man
I never saw ya, I only heard of you
Huggin' up to big monkey man
It's your life, it's your life
Huggin' up to big monkey man
It's your life, it's your life
Huggin' up to big monkey man
Now I know that now I understand
Huggin' up to big monkey man
Now I know that now I understand
Huggin' up to big monkey man
La-la-la, la-la-la
Huggin' up to big monkey man
La-la-la, la-la-la
Huggin' up to big monkey man
