

Please Don't Ask

Genesis

Oh, please don't ask me how I feel, I feel fine
Oh, I cry a bit, I don't sleep too good, but I'm fine
When can I see you?
When can I touch you?
Again and again I ask myself, was I wrong?
Oh, but time's a healer and heaven knows I've been strong
Maybe we could try
Oh, maybe we would work this time Oh, I can remember when
It was easy to say I love you
But things have changed since then
Now I really can't say if I still do
But I can try
'Cause I know that the kids are well
Yes, you're a mother to the world
Oh, but I miss my boy
I hope he's good as gold But enough of me, tell me, how are you, you look good
Well you lost some weight, I can see, your hair looks nice, you look good
Maybe we should try
But don't say it, 'cause I know why
But you know, I can remember when
It was easy to say I love you
But things have changed since then
Now I really can't say if I still do
But I can try
'Cause I know that the kids are well
Yes, you're a mother to the world
Oh, but I miss my boy
Oh, I hope he's good as gold
