

# So Done (feat. Khalid)

Alicia Keys

'Cause I'm so, so done  
Guardin' my tongue, holdin' me back  
I'm livin' the way that I want 'Cause I'm so, so done  
Fighting myself, goin' through hell  
I'm livin' the way that I want  
I'm livin' the way that I want  
I'm livin' the way that I want  
I'm livin' the way that I want  
I'm livin' the way that I want I lost control over all my energy  
Done so much damage to my heart  
I've given in, I've changed my identity  
I didn't mean to go so far  
Oh my God (God)  
I wish (wish) I could be (be) better than this  
My God, wish (wish) I could be 'Cause I'm so, so done (so done, so done)  
Guardin' my tongue, holdin' me back  
I'm livin' the way that I want (I want)  
'Cause I'm so, so done (so done)  
Fighting myself, goin' through hell  
I'm livin' the way that I want  
I'm livin' the way that I want  
I'm livin' the way that I want  
I'm livin' the way that I want  
I'm livin' the way that I want Livin' the way  
Wonder how I can let you get in the way, oh no  
People keep changin'  
Faces why I'm so jaded  
Face it, I think I'm fadin'  
Takin' back, no  
Oh my God (God)  
I wish (wish) I could be (be) better than this  
My God, wish (wish) I could be 'Cause I'm so, so done (so done, so done)  
Guardin' my tongue, holdin' me back  
I'm livin' the way that I want (I want)  
'Cause I'm so, so done (so done)  
Fighting myself, goin' through hell  
I'm livin' the way that I want  
I'm livin' the way that I want  
I'm livin' the way that I want  
I'm livin' the way that I want (yeah)  
I'm livin' the way that I want This a body movement
