

Catching Feelings

Gavin Magnus

[Verse 1]

I hate to say I told you so, I hate to say that I was?right
I?wish he didn't?break your heart, I wish he?didn't make you cry
If I could go back in time,?fix?everything?about that night
Then?I would never?let you go, no I would never give up tryin'[Pre-Chorus]
Cause I, I just been stuck in the friendzone
That's not how this story ends though
Cause I don't know what to do[Chorus]
Cause I'm catching feelings for you, for you, for you
Girl, I'm catching feelings for you, for you, for you
Yeah I'm catching feelings for you

[Post-Chorus]

I try and try to be patient and wait
I just hope my time's not too late
Things on my mind, never could explain
It's true

Yeah, I'm catching feelings for you[Verse 2]

Cause a lot's all new for us, take my hand and hold it tight
I can lead you through the dark, cause our future's looking bright
Yeah, I can make you happy, babe, get you anything you like
As long as I can be with you, I got nothing left to hide[Pre-Chorus]
Cause I, I was just stuck in the friendzone
But that's not how this story ends though
Cause I don't know what to do

[Chorus]

Cause I'm catching feelings for you, for you, for you
Girl, I'm catching feelings for you, for you, for you
Yeah I'm catching feelings for you[Post-Chorus]

I try and try to be patient and wait
I just hope my time's not too late
Things on my mind, never could explain
It's true

Yeah, I'm catching feelings for you[Bridge]

You by my side, day and night, want it only
Stars in the sky, but my eyes on you only
Ooh, I can't lie, feels so right

Don't know what to do[Chorus]

Cause I'm catching feelings for you, for you, for you
Girl, I'm catching feelings for you, for you, for you
Yeah I'm catching feelings for you[Post-Chorus]

I try and try to be patient and wait
I just hope my time's not too late

Things on my mind, never could explain
It's true
Yeah, I'm catching feelings for you
