

Don't Cry Out

Shiny Toy Guns

I don't get you
I can't forget what
You've forgotten, all along
I've never been so alone Don't cry out
Cease fire I was pretending
Your secret kiss of confidence
Was my escape
The perfect game to play Don't cry out
Cease fire Ten, nine, eight and I'm breaking away
I'm all dressed up and I'm ready to play
Seven, six, five, four and I'm all over you
Counting three, two, one and I'm having fun
Your fascination
With naked walls of silk and skin
With no conditions
I needed you to notice that's all I wanted Don't cry out
Cease fire Ten, nine, eight and I'm breaking away
I'm all dressed up and I'm ready to play
Seven, six, five, four and I'm all over you
Counting three, two, one and I'm having fun Ten, nine, eight and I'm breaking away
I'm all dressed up and I'm ready to play
Seven, six, five, four and I'm all over you
Counting three, two, one and I'm having fun Don't cry out
Cease fire
Ten, nine, eight and I'm breaking away
(Don't cry out)
I'm all dressed up and I'm ready to play
Seven, six, five, four and I'm all over you
(Cease fire)
Counting three, two, one and I'm having fun Ten, nine, eight and I'm breaking away
(Don't cry out)
I'm all dressed up and I'm ready to play
Seven, six, five, four and I'm all over you
(Cease fire)
Counting three, two, one and I'm having fun
