

# Lookin' At You

So nice to meet ya  
Cause everything about you  
says you're my type and I like it  
So good to see ya'  
Cause everything about cha says you're right  
And I like it  
I can't take my eyes off you  
ohhhhh, you got me thinking'  
What I might do if we [oooooh]

Oooh, homie your so fine you blow my mind  
I ain't gon' lie your kinda hot  
You got my attention and it takes a lot  
Baby you turn me on  
I'm not gon' letcha lone  
All I want to do  
Is to get to know you betta  
Im'a ghetto girl that can do whateva  
Baby say it's all good  
C'mon now wish you wouldI'm looking' at chu

And your homeboy's too

So act like you hear me  
Cause I'm hollerin' at chu  
So c'mon baby
