

# Silence (feat. Khalid) [Tiësto's Big Room Remix]

Marshmello

Yeah, I'd rather be a lover than a fighter  
'Cause all my life, I've been fighting  
Never felt a feeling of comfort  
All this time, I've been hiding  
And I never had someone to call my own, oh nah  
I'm so used to sharing  
Love only left me alone  
But I'm at one with the silence found peace in your violence  
Can't tell me there's no point in trying  
I'm at one, and I've been quiet for too long  
I found peace in your violence  
Can't tell me there's no point in trying  
I'm at one, and I've been silent for too long  
I've been quiet for too long  
I've been quiet for too long  
I found peace in your violence  
Can't tell me there's no point in trying  
I'm at one, and I've been quiet for too long I'm in need of a savior, but I'm not asking for favors  
My whole life, I've felt like a burden  
I think too much, and I hate it  
I'm so used to being in the wrong, I'm tired of caring  
Loving never gave me a home, so I'll sit here in the silence I found peace in your violence  
Can't tell me there's no point in trying  
I'm at one, and I've been quiet for too long  
I found peace in your violence  
Can't tell me there's no point in trying  
I'm at one, and I've been silent for too long  
I've been quiet for too long  
I've been quiet for too long  
I found peace in your violence  
Can't tell me there's no point in trying  
I'm at one, and I've been quiet for too long
