

Sweet Jesus

J Moss

I love to praise your name
I love to lift you up
We bless your name
Sweet Jesus
(Repeat) I love to praise your name
I love to lift you up
We bless your name
Sweet Jesus jesus jesus jesus jesus
(Repeat)
Demons tremble at the name when I call him
Mountains move at the same when I shout it
Thy name is above all names
Every knee shall bow
Tongue confess
Jesus Jesus Jesus Jesus Jesus I love to praise your name
I love to lift you up
We bless your name
Sweet Jesus Jesus Jesus Jesus Jesus
(Repeat)
Sweet Jesus Jesus Jesus Jesus Jesus
When I hit the lowest point, sweet jesus jesus jesus jesus jesus
And I didn't have anyone else to talk to, sweet jesus jesus jesus jesus jesus
When no-one else couldn't understand, sweet jesus jesus jesus jesus jesus
When I was holding my face to a pole with tears, sweet jesus jesus jesus jesus
It was you Jesus the redeemer, sweet jesus jesus jesus jesus jesus
It was you Jesus the restor, sweet jesus jesus jesus jesus jesus
It was you Jesus the reviver, sweet jesus jesus jesus jesus jesus
It was you that came to my rescue, sweet jesus jesus jesus jesus jesus
I didn't have nobody else, sweet jesus jesus jesus jesus jesus
I was feeling lost and left in, sweet jesus jesus jesus jesus jesus
Then I called your name, sweet jesus jesus jesus jesus jesus
Then I called your name, sweet jesus jesus jesus jesus jesus
For the name of the Lord is a strong tower, sweet jesus jesus jesus jesus jesus
The righteous run in, run in and are safer, sweet jesus jesus jesus jesus jesus
Thank you for my safety, sweet jesus jesus jesus jesus jesus
Thank you for my sanity, sweet jesus jesus jesus jesus jesus
Thank you for keeping me, sweet jesus, sweet, sweet, sweet
