

A Set of Replies

Larry Gus

i'm forcing feelings with replies
and i'm coercing your despise
with all my efforts nullifiedbut not without a fight X5and i don't want to listen
no more compliments
no more polite comments
at least not from my friendsand still i'm seeking comfort
in confining chairs
and i don't want to visit
islands in excessfeels like a setup
feels like a setup
of truth
and implicit lies
and somehow you don't
feel like you're certain
feel like a set of replies
it's all based on lies
but somehow you knownot without a fight X4feels like i'm certain
feels like i'm certain
it only feels good when i
hold it in your handsfeel like a set of a
film that i'm certain
it only feels good
when i hold it
in your handsand i don't want to listen
no more compliments
no more polite comments
at least not from my friends
and still i'm seeking comfort
in confining chairs
and i don't want to visit
islands in excessfeelings
and replies
you can't hide
from the heart of timefeelings
and replies
you can't hide
from the heart of timefeeling a gallstone
a gallstone
a gallstone in timefeeling a gallstone
a gallstone
a gallstone in timenot without a fight X4
not without a fight X4
