## Rae Sremmurd

YahBad bitches is the... yahI ain't got no type (Nah)  
Bad bitches the only thing that I like (Woo)  
You ain't got no life (Nah)  
Cup with the ice and we do this every night (Hey)  
I ain't check the price (I got it)  
I make my own money so I spend it how I like (Woo)I'm just living life (Hey Hey)  
And let my momma tell it nigga I ain't living right (Yup)  
Chop the top off the Porsche, that's a headless horse  
Extendo long as an extension cord  
Bitch I ball like Jordan  
And I play full court  
And if you not my type then you know I got to keep this shit short  
What you know about a check?  
What you got up in your pocket?  
What you spending when you shopping, dawg?  
Why you wanna go flex like you all in the mix?  
Like you got some shit popping off  
I got some models that you see up in the movies and they want to make a flick for  
the camera  
Wanna be Kim Kardashian, heard I was living like a bachelor  
I ain't got no type (Nah)  
Bad bitches the only thing that I like (Woo)  
TYou ain't got no life (Nah)  
Cup with the ice and we do this every night (Hey)  
I ain't check the price (I got it)  
I make my own money so I spend it how I like (Woo)  
I'm just living life (Hey Hey)  
And let my momma tell it nigga I ain't living right (Yup)  
Spend it how I like (Yah)  
Sinning every night (Yah)Push-start the whip (Hey)  
Brought it straight to life (For life)  
Blowing on the Kush (Blow)  
Till I'm out of sight (I won't go)  
I don't check the price (Bitch)  
All I do is swipe (Woo)  
She said, "What's your type?" (Yah)  
I said, I like what I like (Yah)  
I don't second guess (Nah)  
I just roll the dice (Keep it movin')  
Keep your two cents (Hey)  
Take your own advice (Hey)  
I've been living life (Yah)

Like I live twice  
I ain't got no type  
Bad bitches the only thing that I like (Woo)  
You ain't got no life (Woo)  
Cup with the ice and we do this every night (Hey)  
I ain't check the price (I got it)  
I make my own money so I spend it how I like (Woo)  
I'm just living life (Hey Hey)  
And let my momma tell it nigga I ain't living right (Yup)
