

New York, I Love You but You're Bringing Me Down

LCD Soundsystem

New York, I Love You
But you're bringing me down New York, I Love You
But you're bringing me down Like a rat in a cage
Pulling minimum wage New York, I Love You
But you're bringing me down New York, you're safer
And you're wasting my time Our records all show
You are filthy but fine But they shuttered your stores
When you opened the doors
To the cops who were bored
Once they'd run out of crime
New York, you're perfect
Don't please don't change a thing Your mild billionaire mayor's
Now convinced he's a king So the boring collect
I mean all disrespect In the neighborhood bars
I'd once dreamt I would drink New York, I Love You
But you're freaking me out There's a ton of the twist
But we're fresh out of shout Like a death in the hall
That you hear through your wall New York, I Love You
But you're freaking me out
New York, I Love You
But you're bringing me down New York, I Love You
But you're bringing me down Like a death of the heart
Jesus, where do I start? But you're still the one pool
Where I'd happily drown And oh. Take me off your mailing list
For kids that think it still exists
Yes, for those who think it still exists
Maybe I'm wrong
And maybe you're right
Maybe I'm wrong
And maybe you're right
Maybe you're right
Maybe I'm wrong
And just maybe you're right
And Oh.
Maybe mother told you true
And they're always be something there for you
And you'll never be alone
But maybe she's wrong
And maybe I'm right
And just maybe she's wrong

Maybe she's wrong
And maybe I'm right
And if so, is there?
