

Life Without You

Stevie Ray Vaughan & Double Trouble

Ooh, ooh now baby, tell me how have you been
We all have missed you, and the way you grin
The day is necessary, every now and then
For souls to move on, givin' life back again and again
Fly on, fly on, fly on my friend
Go on, live again, love again Day after day, night after night
Sittin' here, singin' every minute, as the years go passing by, by, by, by
Long look in the mirror, we've come face to face
Wishing all the love we took for granted, love we have today
Life without you, all the love you passed my way
The angels have waited for you so long, now they have their way
Take your place
