

# Do You Right

311

Passin' the kind buds.  
Kickin' back in the sand in the sun.  
To be alive is lovin'.  
Where the shore meets the sea  
Man I'm hummin' I'm hummin' I'm free as I stare at the sea.  
And I'm not comin' down.  
The world is yours once you have found.  
The good is to share.  
Which is elsewhere. The beauty  
of green is where light is now broken  
by what it touches.  
Remembering  
what you once had told me hit home.  
And hasn't it always been so.  
I'm free as I stare at the sea.  
And I'm not comin' down.  
The world is yours once you have found.  
The good is to share.  
Which is elsewhere. Like I said before I'll say it once more.  
Knew you would make me feel so good.  
Wanna do you right. Can't get enough  
This is the stuff  
lifes about  
and it trips me up  
Gonna do you right.  
Bright mornings.  
Days when I want so much,  
I want nothing  
Just this life and no more  
Ill come within this world  
theres only one for me  
shes waiting  
Ill soon come I'm free as I stare at the sea.  
And I'm not comin' down.  
The world is yours once you have found.  
The good is to share.  
Which is elsewhere. Like I said before I'll say it once more.  
Knew you would make me feel so good.  
Wanna do you right. Can't get enough  
This is the stuff  
lifes about  
and it trips me up

Gonna do you right. Free from the burn  
the burnin of spite  
and, free from the burn  
the burn you do me right  
No buzz hack, no buzz hack, no buzz hack, no buzz hack  
Swing the thing you bring  
Now check it out  
How could you be so good to me?  
How could you be so good to me?  
I want to be worth  
Want to be worth  
Buzz, hack, hack, hack, buzz  
yea swing to the thing you bring now check it out Like I said before I'll say it once more.  
Knew you would make me feel so good.  
Wanna do you right. Can't get enough  
This is the stuff  
lifes about  
and it trips me up  
Gonna do you right.
