

You Are My Love Come True

Fred Hammond

My life is now complete
Because you are here with me
Girl you are my heart...
Let me say that it's all about you
Babe You stood right by my side
Through my storms and my darkest night
And you are still loving me
I don't know what I did to deserve you Darling You...
Babe
Know-body else will do
You are the one that i have.
Longed for in my dreams
And I do...
Give my whole heart to you
Babe Know that my search is though
I'll cherish every moment...
In love with you forever
Babe Believe me when I say
No one can take your place
Just your kiss alone
Is tender soft and sweet like honey
O Lord what did I do...
To find favor with you
Why does she love me so...
Please tell me or I'll never know
Darling You
Babe Know body else will do You are the one that I have Longed for in my dreams And I do...
Give my whole heart to you Babe
Now that my search is through
I'll cherish every moment
In love with you forever
Babe Take my hand and my Love
I'll give you all of my heart
So you can trust that its you
Your the one that I adore
I don't wanna live this life without you
Babe Your the one that I need
Take the rest of your life
And spend it with me
I need you
Your all that I want
I don't wanna do this thing without you

Babe Your the one I prayed for
So deep down in my heart
I'm thanking the Lord that it's you
Each and every day
I don't wanna live this life without you...Babe,
Your the Love of my life
Your a gift straight from God
So come by wife, I need you
Yes your all of these things
I can't imagine my life without you
Babe When I call out your name
Brings a smile to my face
Every day I need you
I need you
I need you
Cant imagine... My life without you... Girl...I don't wanna do this thing without you...
Babe...
