

Don't Let Me Be Lonely Tonight

Jeffrey Osborne

Do me wrong, do me right
tell me lies, but hold me tight
save your goodbyes for the morning light
but don't let me be lonely tonight. Say goodbye, say hello
show enough good to see you
but it's time to go,
don't say yes, but please, don't say no
I don't want to be lonely tonight. Go away and damn you,
go away do as you please
you ain't gonna see me getting down on my knees
'cause I'm undecided and your heart has been divided
and you're turning my world upside down.
Do me wrong, do me right
tell me lies, but hold me tight
save your goodbyes for the morning light
but don't let me be lonely tonight. Go away and damn you,
go away do as you please
you ain't gonna see me getting down on my knees
'cause I'm undecided and your heart has been divided
and you're turning my world upside down. Do me wrong, do me right
tell me lies, but hold me tight
save your goodbyes for the morning light
but don't let me be lonely tonight.
I don't wanna be lonely tonight
I don't wanna be lonely.
I'll be. I need you baby
I want you sitting you right here by my side
all night, all night.
I wanna,
I don't wanna be lonely,
I don't wanna be lonely,
I don't wanna be lonely. tonight
I don't wanna be lonely, come baby
stay with me tonight, mhhm.
