

Hummingbird Heartbeat

Katy Perry

You make me feel like I'm losin' my virginity
The first time, every time when you're touchin' me
I'll make you bloom like a flower that you never seen
Under the sun, we are one bodied energy Let's pollinate to create a family tree
This evolution with you comes naturally
Some call it science (science), we call it chemistry
This is the story of the birds and the bees And even when seasons change, our love still stays the same

You give me that hummingbird heartbeat
You spread my wings and make me fly
The taste of your honey is so sweet
When you give me that hummingbird heartbeat
Hummingbird heartbeat
Ah ah, hummingbird heartbeat
Ah ah, hummingbird heartbeat
I've flown a million miles just to find the magic seed
Oh, white flower with the power to bring life to me You're so exotic, my whole body fluttering
Constantly craving for a taste of your sticky-sweet
Always on the brink of a heart attack
You give me life and keep me comin' back I see the sunrise in your eyes, your eyes
We've got a future full of blue skies, blue skies You love me, you love me, never love me not
Not

I know when we were in perfect harmony, you make me sound like
Like a symphony, oh
Spread my wings and make me fly
The taste of your honey is so sweet
When you give me that hummingbird heartbeat
Hummingbird heartbeat Hummingbird heartbeat
Spread my wings and make me fly
The taste of your honey is so sweet
When you give me that hummingbird heartbeat
Hummingbird heartbeat
Ah ah, hummingbird heartbeat
Ah ah, hummingbird heartbeat
Ah ah, hummingbird heartbeat
Ah ah, hummingbird heartbeat
