

# Sure Thing

## Miguel

Love you like a brother  
Treat you like a friend  
Respect you like a lover You could bet that  
Never gotta sweat that  
You could bet that  
Never gotta sweat that  
You could bet that  
Never gotta sweat that  
You could bet that  
Never gotta sweat that  
If you be the cash  
I'll be the rubberband  
You be the match  
Imma be your fuse  
Boom!  
Painter baby you  
Could be the muse  
I'm the reporter baby  
You could be the news  
Cause your the cigarette  
And I'm the smoker  
We raise a bet...  
Cause your a joker  
Truth tho...  
You are the chalk  
And I could be the blackboard  
And you can be the talk  
And I could be the walk  
Even when the sky comes falling  
Even when the sun don't shine  
I got faith in you and I  
So put your pretty little hand in mine  
Even when we're down to the wire babe  
Even when it's do or die  
We can do it baby simple and plain  
cuz this love is a sure thing You could bet that  
Never got to sweat that  
You could bet that  
Never gotta sweat that  
You could bet that  
Never gotta sweat that  
You could bet that

Never gotta sweat that You could be the lover  
I'll be the fighter babe  
If I'm the blunt  
You could be the lighter babe  
Fire it up!  
Writer babe  
You could be the quote  
If I'm the lyric baby  
You could be the note Record that!  
Saint, I'm a sinner  
Prize, I'm a winner  
And it's you  
What can I do to deserve that  
Paper baby  
I'll be the pen  
Say that I'm the one  
Cause you are ten  
real and not pretend! Even when the sky comes fallin  
Even when the sun don't shine  
I got faith in you and I  
So put your pretty lil hand in mine  
Even when were down to the wire babe  
Even when it's do or die  
We can do it babe simple and plain  
Cause this love is a sure thing Rock wit me baby  
Let me hold you in my arms  
Talk to with me baby  
Rock wit me baby  
Let me hold you in my arms  
Talk to with me baby This love  
Between you and I  
As simple as pie baby  
Such a sure thing  
Oh is it a sure thing  
Oh is it a sure thing Even when the sky comes fallin  
Even when the sun don't shine  
I got faith in you and I  
So put your pretty little hand in mine  
Even when we're down to the wire babe  
Even when it's do or die  
We can do it baby simple and plain  
This love is a sure thing Love you like a brother  
Treat you like a friend  
Respect you like a lover
