

Walked Outta Heaven

Jagged Edge

I'm rolling down a lonely highway
Asking God to please forgive me
For messing up the blessing He gave to me
I see everything clearer now The nights as black as, black as it's ever been
With out my girl I'ma lose it
And I pray that He just shed's his grace on me
I need just to be back with my baby Feels like I just walked right outta heaven
Feels like I done damn near thrown my life away, hey
I'm scared just like a child that's lost at seven
I don't know what to do, to get back right with you
Feel like I just walked right outta heaven
Feel like I done damn near thrown my life away, hey yeah
Like child that's lost at seven
Don't know what to do, feels like I just walked
Right outta heaven See my Mama told me that if it's meant to be
She'll come back and she'll forgive me
And the best thing I can do is to just let her, let her go
I know, I don't wanna do it But if I continue to push she'll just pull away
And I know that in my heart it's a reality
I didn't treat her like she wanted to be treated
And I hope that she's not gone for good, no no no Feels like I just walked right outta heaven
Feels like I done damn near thrown my life away, hey
I'm scared just like a child that's lost at seven
And I don't know what to do, to get back right with you
Feel like I just walked right outta heaven
Feel like I done damn near thrown my life away, hey yeah
Like child that's lost at seven
Don't know what to do, feels like I just walked
Right outta heaven Craving For you all the time
Suppose to move on with my life
Girl I tried and I tried
Feel like I can't walk I feel like I can't talk, girl
I don't know what to do, to get back right with you
I feel like I just walked outta heaven, baby
If you ever loved somebody And if you ever had somebody
But you know that you hurt that somebody
Lemme hear you say, "Yeah"
Feels like I just walked right outta heaven
Feels like I just walked right outta heaven Feels like I done damn near thrown my life away, hey
I'm scared just like a child that's lost at seven
I don't know what to do, to get back right with you
Feel like I just walked right outta heaven

Feel like I done damn near thrown my life away, hey
Like child that's lost at seven
Feels like I just walked right outta heaven
Feels like I done damn near thrown my life away, hey
I'm scared just like a child that's lost at seven
I don't know what to do, to get back right with you
Feel like I just walked right outta heaven
Feel like I done damn near thrown my life away, hey yeah
Like child that's lost at seven
