

Losing My Religion

Tori Amos

Me
Me
Me in the cor... ner
Me in the spot... light
Losing my religion Thought that I heard you laughing
Thought that I heard you sing
I think I saw you try Na Na yeah
Consider... this
Consider the lengths that I would go to
A slip that brought me to my knees
and i don't know if i can do it
O now I've said too much
I set it up I thought that I heard you laughing
I thought that I heard you... sing
Ooo nanananana hey
oooooooooooooooooooo Life is bigger
Bigger than you
You are not me
The lengths that I would go through
I've said too much
I set it up
I think I saw you try
It's me
Me
Me in the cor... ner
oooooo
Losin' my religion
tryin' to keep an eye on you
And I don't know if I can do it
O now I've said too much
I set it up
Thought that I heard you laughing
Thought that I heard you sing
Losing my... oooooo It's me
It's me
