

# Lately

Dan + Shay

Lately, it's been hard to breath  
Just trying to keep my head above water  
Sometimes life's in the way, all work and no play  
And lately, it's been hard to see the way you used to be  
And I wonder, if the words I don't say  
Can make it okay But I've been thinking bout us  
And I know that the going is rough  
And it feels like a little too much  
Maybe I don't say it enough  
So listen  
Girl you know you're beautiful  
I used to tell you all the time  
But when you let your hair down it  
Still drives me crazy  
Something like a miracle  
That I get to call you mine  
So baby have I told you that I love you  
Lately Baby we can stay at home  
Or ditch the phone  
Don't have to go nowhere  
And get lost in your eyes  
Let the time fly by  
Baby, it don't matter what tomorrow brings  
You know I'll be right there  
Today and tonight, the rest of my life  
I've been thinking bout us  
And I know the going is rough  
And it feels like a little too much  
Maybe I don't say it enough Girl you know you're beautiful  
I used to tell you all the time  
But when you let your hair down it  
Still drives me crazy  
Something like a miracle  
That I get to call you mine  
So baby have I told you that I love you  
Lately Oh yeah  
Have I told you  
Lately  
Ooh mmm Have I told that I love you  
That you're funny that you're sweet  
And I love what's outside and everything that's underneath  
Have I told you that I miss you every second I'm asleep

And I love the way you smiling when I kiss you in my dreams  
Have I told you? Mmm  
Have I told you? Girl you know you're beautiful  
I used to tell you all the time  
But when you let your hair down, it  
Still drives me crazy  
You're beautiful  
Gonna tell you all the time  
Cause when you let your hair down, it  
Still drives me crazy  
Something like a miracle  
I can't believe that you're all mine  
So baby have I told you you that I love you  
Lately Have I told you that I love you  
That you're funny, that you're sweet  
And I love what's outside and everything that's underneath  
Lately Have I told you that I miss you every second I'm asleep  
And I love the way you smiling when I kiss you in my dreams  
Have I told you?  
Have I told you? Lately
