

# come out and play

Billie Eilish

Mhmm  
Wake up, and smell the coffee  
Is your cup, half full or empty?  
When we talk, you say it softly  
But I love it, when you're awfully quiet  
Mhmm  
Quiet  
Mhmm You see, a piece of paper  
Could be, a little greater  
Show me, what you can make or  
You'll never know until you try it  
Mhmm  
And you don't have to keep it quiet  
And I know it makes you nervous  
But I promise you it's worth it  
To show 'em everything you kept inside Don't hide  
Don't hide  
Too shy to say, but I hope you stay  
Don't hide away  
Come out and play Look up, out of your window  
See snow, won't let it in though  
Leave home, feel the wind blow  
'Cause it's cold, to hear inside in silence And you don't have to keep it quiet  
Yeah I know, it makes you nervous  
But I promise you it's worth it  
To show 'em everything you kept inside  
Don't hide  
Don't hide  
Too shy to say, but I hope you stay  
Don't hide away  
Come out and play
