Kelis

Truth Or Dareby N/A  
Yeah, yeah, yeah  
I'm on the dance floor  
Burn it up  
Music turn it up  
Baby i, real hot  
So is it my turn to touch you  
Looks like your wasn't on in some 3-d effects  
Baby you  
Look like you have no clue of what comes next  
Me and my dogs'll be there  
Till your girls prepare to share  
We play the dance of truth or dare  
If someone's standing there say  
Hey baby what's your name  
Don't stand looking insane  
Do you wanna ride the train  
Welcome to the fast lane  
If you didn't know it but well  
Cause these people they don't care  
All hands in the air  
This is what we call truth or dareI am the one with the brightest hair  
Leather i don't care  
Baby i  
To everyone to take their shirts off  
That's my dare, you  
Got a girl but you're touching me like you don't care baby you  
Do your brick just don't get caught out there  
Me and my girls'll be there  
Till your boys prepare to share  
We play the dance of truth or dare  
If someone's standing there say  
Hey baby what's your name  
Don't stand looking insane  
Do you wanna ride the train  
Welcome to the fast lane  
If you didn't know beware  
Cause these people they don't care  
All hands in the air  
This is what we call truth or dareCome on, come on  
(baby shake it up)Man i got ten surrounding me  
Hounding me

Center of attention  
A riot is bound to be  
Though i'm in the middle  
My jewels you're bound to see  
In a pool of women  
All of em drowning me  
I'm ho poppin  
Flip floppin  
Ho hoppin  
Now her head in my lap bobbin  
I ain't one to care  
I ain't used to fair  
Baby you can keep the truth choose the dare Yea, yeah, yeah, yeah, yeah  
Ooh.

(O) Me and my dogs'll be there  
Till your girls prepare to share  
Me and my girls'll be there  
Till your boys prepare to share  
E play the dance of truth or dare  
If someone's standing there say  
Hey baby what's your name  
Don't stand looking insane
