

Sweat (feat. Lil Jon & Machel Montano)

Casely, Lil Jon & Machel Montano

I dont know her but she acting like she know me.
Oh, she must of heard about the way that i be.
I pull her body to me slowly.
She whispered to me are your ready for me.Dont even ask for me
I spend this cash proudly
If you get loose, we can lose it out on this floor
So what you got for me?
Cause we could both be in my kitchen girl just,
but first i just gotta see ya
Oh i know i only met her yesterday
But i wouldn't leave her even if you payed me
She got so wet she tried to slip away
Oh babe i grabbed her waist and told her don't be crazy
You got me close baby
You run the show lady
So at this stage cause i love it when no need to foldSo what you got for me?
Cause we could both be in the shower after hours,
i just gotta see ya
Would you sweat for me?
Tripping off your kiss, falling down those lips
Tell em i'm not gonna talk
Oh shawty it's time for you to show me your temperature it's growing and i wanna stand in your
stains, stains, stains
Make you sweat make you sweat
were gonna make it sweat
Your gonna get soaking wet
Make it sweat till it's soaking wet
Whine up like...
