

# Oh, What a World

[Kacey Musgraves](#)

Oh, what a world, I don't wanna leave  
There's all kinds of magic, it's hard to believe  
Oh, what a world, I don't wanna leave  
There's all kinds of magic, it's hard to believe Northern lights in our skies  
Plants that grow and open your mind  
Things that swim with a neon glow  
How we all got here, nobody knows These are real things  
These are real things Oh, what a world, don't wanna leave  
All kinds of magic all around us, it's hard to believe  
Thank God it's not too good to be true  
Oh, what a world, and then there is you  
Did I know you once in another life?  
Are we here just once or a billion times?  
Well, I wish I knew, but it doesn't matter  
'Cause you're here right now, and I know what I feel And these are real things  
Yeah, these are real things Oh, what a world, don't wanna leave  
All kinds of magic all around us, it's hard to believe  
Thank God it's not too good to be true  
Oh, what a world, and then there is you  
Oh, and then there is you These are real things  
These are real things  
Oh, what a world, all kinds of magic Tell me it's not too good to be true  
Oh, what a world, and then there is you  
Oh, what a world, I don't wanna leave  
There's all kinds of magic, it's hard to believe  
(And then there is you)  
Oh, what a world, I don't wanna leave  
There's all kinds of magic, it's hard to believe  
(And then there is you)  
Oh, what a world, I don't wanna leave  
There's all kinds of magic, it's hard to believe  
(And then there is you)  
Oh, what a world, I don't wanna leave  
There's all kinds of magic, it's hard to believe
