

# It's Been Awhile

## Staind

And it's been awhile, since I could hold my head up high  
And it's been awhile, since I first saw you  
And it's been awhile, since I could stand on my own two feet again  
And it's been awhile, since I could call you  
And everything I can't remember  
As fucked up as it all may seem  
The consequences that I've rendered I stretched myself beyond my means  
And it's been awhile, since I can say that I wasn't addicted  
And it's been awhile, since I can say I love myself as well  
And it's been awhile, since I've gone and fucked things up just like I always do  
And it's been awhile, but all that shit seems to disappear when I'm with you  
And everything I can't remember  
As fucked up as it all may seem  
The consequences that I've rendered  
I've gone and fucked things up again  
Why must I feel this way? Just make this go away  
Just one more peaceful day  
And it's been awhile, since I could look at myself straight  
And it's been awhile, since I said I'm sorry  
And it's been awhile, since I've seen the way the candles light your face  
And it's been awhile, but I can still remember just the way you taste  
And everything I can't remember  
As fucked up as it all may seem to be I know it's me  
I cannot blame this on my father  
He did the best he could for me  
And it's been awhile, since I could hold my head up high  
And it's been awhile, since I said I'm sorry
