

Your Name Is Glorious (feat. Kim Walker-Smith)

Jesus Culture

Who is like You
Took the sin of the world on Your shoulders
You did it so willingly God the price You paid will forever be enough
And the life You gave, yeah, You gave it all for love Your name is glorious
We lift You up higher, higher
Come see what God has done
And lift Him up higher, higher Who can fathom
The depths of the seas and the universe
How far does it reach Still You spread Your arms out upon a cross for us
And the life You gave, yeah, You gave it all for love
Your name is glorious
We lift You up higher, higher
Come see what God has done
And lift Him up higher, higher Your name is glorious
We lift You up higher, higher
Come see what God has done
And lift Him up higher, higher We will sing, we will sing, we will sing, over again
We will bring the highest praise to the King, sing it again
We will sing, we will sing, we will sing, over again
We will bring the highest praise to the King, sing it again
Sing it again Your name is glorious
We lift You up higher, higher
Come see what God has done
And lift Him up higher, higher
Your name is glorious
We lift You up higher, higher
Come see what God has done
And lift Him up higher, higher We will sing, we will sing, we will sing, over again
We will bring the highest praise to the King, sing it again
We will sing, we will sing, we will sing, over again
We will bring the highest praise to the King, sing it again
We will sing, we will sing, we will sing, over again
We will bring the highest praise to the King, sing it again
We will sing, we will sing, we will sing, over again
We will bring the highest praise to the King, sing it again
Sing it again Your name is glorious
We lift You up higher, higher
Come see what God has done
And lift Him up higher, higher Your name is glorious
We lift You up higher, higher

Come see what God has done
And lift Him up higher, higher Your name is glorious
We lift You up higher, higher
Come see what God has done
And lift Him up higher, higher Your name is glorious
We lift You up higher, higher
Come see what God has done
And lift Him up higher, higher Your name is glorious
We lift You up higher, higher
Come see what God has done
And lift Him up higher, higher Your name is glorious
We lift You up higher, higher
Come see what God has done
And lift Him up higher, higher Your name is glorious
We lift You up higher, higher
Come see what God has done
And lift Him up higher, higher
